The purposes of the Audit Committee of the Board of Directors (the “Audit Committee”) of NeuroMetrix, Inc. (the “Company”) are to:

- oversee the accounting and financial reporting processes of the Company and the audits of the Company’s financial statements;
- take, or recommend that the Board of Directors of the Company (the “Board”) take, appropriate action to oversee the qualifications, independence and performance of the Company’s independent auditors; and
- prepare the report required by the rules of the Securities and Exchange Commission (the “SEC”) to be included in the Company’s annual proxy statement.

II. Composition

The Audit Committee shall consist of at least three (3) members of the Board, each of whom must (1) be “independent” as defined in Rule 4200(a)(15) under the Marketplace Rules of the National Association of Securities Dealers, Inc. (“NASD”); (2) meet the criteria for independence set forth in Rule 10A-3(b)(1) promulgated under Section 10A(m)(3) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), subject to the exemptions provided in Rule 10A-3(c) under the Exchange Act; and (3) not have participated in the preparation of the financial statements of the Company or a current subsidiary of the Company at any time during the past three years.

Notwithstanding the foregoing, only (1) one (1) member of the Audit Committee must meet the requirements set forth in the preceding sentence prior to the 90th day after the effectiveness of the registration statement filed by the Company with the SEC under the Securities Act of 1933, as amended (the “Securities Act”), in connection with the initial public offering of the Company’s common stock (the “Registration Statement Effectiveness Date”) and (2) a majority of the members of the Audit Committee must meet the requirements set forth in the preceding sentence prior to the date that is one year after the Registration Statement Effectiveness Date; provided that if the Company is relying on the exceptions set forth in this paragraph, the Company must disclose its assessment of whether, and if so, how, such reliance would materially adversely affect the ability of the Audit Committee to act independently and to satisfy the other requirements of Rule 10A-3 under the Exchange Act in any proxy or information statement for a meeting of stockholders at which directors are elected that is filed with the SEC pursuant to the requirements of Section 14 of the Exchange Act.

Notwithstanding the first paragraph of this section, one director who (1) is not “independent” as defined in Rule 4200 under the Marketplace Rules of the NASD; (2) satisfies the criteria for independence set forth in Section 10A(m)(3) of the Exchange Act and the rules thereunder; and (3) is not a current officer or employee or a Family Member of such officer or employee, may be appointed to the Audit Committee, if the Board, under exceptional and limited circumstances, determines that membership on the Audit Committee by the individual is required by the best interests of the Company and its stockholders, and the Board discloses, in the next annual proxy statement subsequent to such determination (or, if the Company does not file a proxy statement, in its Form 10-K), the nature of the relationship and the reasons for that determination. A member appointed under this exception may not serve on the Audit Committee for more than two years and may not chair the Audit Committee.

If the Company fails to comply with the requirements set forth in the first paragraph of this section because an Audit Committee member ceases to be independent for reasons outside the member’s reasonable control, the Audit Committee member may remain on the Audit Committee until the earlier of the Company’s next annual stockholders meeting or one year from the occurrence of the event that caused the failure to comply with these requirements. Additionally, if the Company fails to comply with the requirement set forth in the first paragraph that the Audit Committee consist of three members because of one vacancy on the Audit Committee, and the cure period set forth in the preceding sentence is not otherwise being relied upon for another member, the Company will have until the earlier of the next annual stockholders meeting or one year from the occurrence of the event that caused the failure to comply with this requirement.

Each member of the Audit Committee must be able to read and understand fundamental financial statements, including a company’s balance sheet, income statement, and cash flow statement. At least one member of the Audit Committee shall have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which results in the individual’s financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities. One or more members of the Audit Committee may qualify as an “audit committee financial expert” under the rules promulgated by the SEC.

The members of the Audit Committee shall be appointed annually by the Board and may be replaced or removed by the Board with or without cause. Resignation or removal of a Director from the Board, for whatever reason, shall automatically and without any further action constitute resignation or removal, as applicable, from the Audit Committee. Any vacancy on the Audit Committee, occurring for whatever reason, may be filled only by the Board.

III. Compensation

A member of the Audit Committee may not, other than in his or her capacity as a member of the Audit Committee, the Board or any other committee established by the Board, receive directly or indirectly from the Company any consulting, advisory or other compensatory fee from the Company.
