## Audit Committee Charter

### PURPOSE

To assist the board of directors in fulfilling its oversight responsibilities for the financial reporting process, the system of internal control, the audit process, and the company's process for monitoring compliance with laws and regulations and the code of conduct.

### AUTHORITY

The audit committee has authority to conduct or authorize investigations into any matters within its scope of responsibility. It is empowered to:

- Appoint, compensate, and oversee the work of any registered public accounting firm employed by the Company.
- Resolve any disagreements between management and the auditor regarding financial reporting.
- Pre-approve all auditing and non-audit services.
- Retain independent counsel, accountants, or others to advise the committee or assist in the conduct of an investigation.
- Seek any information it requires from employees—all of whom are directed to cooperate with the committee's requests—or external parties.
- Meet with company officers, external auditors, or outside counsel, as necessary.

### COMPOSITION

The audit committee will consist of at least three and no more than six members of the board of directors. The board or its nominating committee will appoint committee members and the committee chair.

Each Committee member shall meet the independence and experience requirements of Section 10A(m)(3) of the Exchange Act, Rule 10A-3 thereunder and the other rules and regulations of the Commission. At least one member shall satisfy the definition of, and be designated as, an audit committee financial expert, as defined by the Commission; provided, however, that if no member of the Committee satisfies such definition, the Committee shall direct the company to include appropriate disclosures in Commission filings as required by the Commission rules and regulations then in effect. The Committee also shall direct the Company to include appropriate disclosures in Commission filings with regard to service by Audit Committee members on the audit committees of other

public companies as required by Commission rules and regulations then in effect. No director shall serve as a member of the Committee if such member serves on the audit committee of more than two other public companies unless the board of directors determines that such simultaneous service would not impair the ability of such director to effectively serve on the Committee.

Committee members shall be barred from accepting any consulting, advisory or other compensatory fee from the issuer or any subsidiary thereof, other than in the member's capacity as a member of the board of directors and any board committee and that any member shall not be an affiliated person of the issuer or any subsidiary apart from his or her capacity as a member of the board and any board committee.

## MEETINGS

The committee will meet at least four times a year, with authority to convene additional meetings, as circumstances require. All committee members are expected to attend each meeting, in person or via tele- or video-conference. The committee will invite members of management, auditors or others to attend meetings and provide pertinent information, as necessary. It will hold private meetings with auditors (see below) and executive sessions. Meeting agendas will be prepared and provided in advance to members, along with appropriate briefing materials. Minutes will be prepared.
