

**UNIFIRST CORPORATION**  
**Audit Committee Charter**

(Adopted by the Board of Directors at a meeting held on April 8, 2003 as a complete restatement of the prior Audit Committee Charter)

**I. General Statement of Purpose**

The principal purposes of the Audit Committee of the Board of Directors (the “Audit Committee”) of UniFirst Corporation (the “Company”) are to:

- assist the Board of Directors (the “Board”) in its oversight of (1) the integrity of the Company’s financial statements and reporting process, (2) the qualifications, independence and performance of the Company’s independent auditors, (3) the performance of the Company’s internal audit function, and; (4) the Company’s compliance with legal and regulatory requirements;
- prepare the report required by the rules of the Securities and Exchange Commission (the “SEC”) to be included in the Company’s annual proxy statement.

**II. Composition**

The Audit Committee shall consist of at least three (3) members of the Board, each of whom shall satisfy the independence requirements established by the New York Stock Exchange Listed Company Manual for listing on the exchange. Each member of the Audit Committee shall be financially literate (or shall become financially literate within a reasonable period of time after his or her appointment to the Audit Committee), as such qualification is interpreted by the Board in its business judgment. At least one member of the Audit Committee shall meet the requirements for being a “financial expert” under the rules promulgated by the SEC and have sufficient accounting or related financial management expertise.

The Nominating and Corporate Governance Committee shall recommend to the Board nominees for appointment to the Audit Committee annually and as vacancies or newly created positions occur. The members of the Audit Committee shall be appointed annually by the Board and may be replaced or removed by the Board with or without cause. Resignation or removal of a Director from the Board, for whatever reason, shall automatically and without any further action constitute resignation or removal, as applicable, from the Audit Committee. Any vacancy on the Audit Committee, occurring for whatever reason, may be filled only by the Board. The Board shall designate one member of the Audit Committee to be Chairman of the committee.

No member of the Audit Committee may simultaneously serve on the audit committee of more than three (3) issuers having securities registered under Section 12 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), unless the Board determines that such simultaneous service would not impair the ability of such member to effectively serve on the Audit Committee.

### **III. Compensation**

A member of the Audit Committee may not, other than in his or her capacity as a member of the Audit Committee, the Board or any other committee established by the Board, receive from the Company any consulting, advisory or other compensatory fee from the Company. A member of the Audit Committee may receive additional directors’ fees to compensate such member for the significant time and effort expended by such member to fulfill his or her duties as an Audit Committee member. Such additional fees may be greater than those fees paid to other directors, but should be commensurate with the time and effort expected to be expended by such Audit Committee member in the performance of his or her duties as an Audit Committee member.

### **IV. Meetings**

The Audit Committee shall meet as often as it determines is appropriate to carry out its responsibilities under this charter, but not less frequently than quarterly. Meetings may be in person or by conference telephone or other communication equipment by means of which all persons participating in the meeting can hear each other. A majority of the members of the Audit Committee shall constitute a quorum for purposes of holding a meeting and the Audit Committee may act by a vote of a majority of the members present at such meeting. Minutes of all meetings of the Audit Committee shall be kept. In lieu of a meeting, the Audit Committee may act by unanimous written consent.

Periodically, the Audit Committee shall also meet separately with management and with the independent auditors.

### **V. Responsibilities and Authority**

#### **A. Review of Charter**

- The Audit Committee shall review and reassess the adequacy of this Charter annually and recommend to the Board any amendments or modifications to the Charter that the Audit Committee deems appropriate.

#### **B. Annual Performance Evaluation of the Audit Committee**

- At least annually, the Audit Committee shall evaluate its own performance and report the results of such evaluation to the Board and the Nominating and Corporate Governance Committee.

### **C. Matters Relating to Selection, Performance and Independence of Independent Auditor**

- The Audit Committee shall have the sole authority to retain and terminate the Company's independent auditor and approve all audit engagement fees. The Audit Committee may consult with management in fulfilling these duties, but may not delegate these responsibilities to management.

- The Audit Committee shall pre-approve all auditing services and the terms thereof (which may include providing comfort letters in connection with securities underwritings) and non-audit services (other than non-audit services prohibited under Section 10A(g) of the Exchange Act or the applicable rules of the SEC or the Public Company Accounting Oversight Board) to be provided to the Company by the independent auditor; provided, however, the pre-approval requirement is waived with respect to the provision of non-audit services for the Company if the "de minimus" provisions of Section 10A(i)(1)(B) of the Exchange Act are satisfied. This authority to pre-approve non-audit services may be delegated to one or more members of the Audit Committee, who shall present all decisions to pre-approve an activity to the full Audit Committee at its first meeting following such decision.
- The Audit Committee may review and approve the scope and staffing of the independent auditors' annual audit plan(s).
- The Audit Committee shall instruct the independent auditor that the independent auditor's ultimate accountability is to the Board and the Audit Committee.
- The Audit Committee shall request that the independent auditor provide the Audit Committee with the written disclosures and the letter required by Independence Standards Board Standard No. 1, as modified or supplemented, require that the independent auditor submit to the Audit Committee on a periodic basis a formal written statement delineating all relationships between the independent auditor and the Company, discuss with the independent auditor any disclosed relationships or services that may impact the objectivity and independence of the independent auditor, and based on such disclosures, statement and discussion take or recommend that the Board take appropriate action in response to the independent auditor's report to satisfy itself of the independent auditor's independence.
- The Audit Committee may consider whether the provision of the services covered in Items 9(e)(2) and 9(e)(3) of Regulation 14A of the Exchange Act (or any successor provision) is compatible with maintaining the independent auditor's independence.
- The Audit Committee shall evaluate the independent auditors' qualifications, performance and independence, and shall present its conclusions with respect to the independent auditors to the full Board. As part of such evaluation, at least annually, the Audit Committee shall:
  - obtain and review a report or reports from the independent auditor describing (1) the auditor's internal quality-control procedures, (2) any material issues raised by the most recent internal quality-control review or peer review, of the auditors, or by any inquiry or investigation by government or professional authorities within the preceding five years, regarding one or more independent audits carried out by the firm, and any steps taken to address any such issues, and (3) to assess the auditor's independence, all relationships between the independent auditor and the Company;

- review and evaluate the performance of the independent auditor and the lead partner of the independent auditor; and
- assure the regular rotation of the lead audit partner and lead reviewing partner as required under Section 10A(j) of the Exchange Act.

In this regard, the Audit Committee may also (1) seek the opinion of management of the independent auditors' performance and (2) consider whether, in order to assure continuing auditor independence, there should be regular rotation of the audit firm.

- The Audit Committee shall recommend to the Board policies with respect to the potential hiring of current or former employees of the independent auditor.

#### **D. Audited Financial Statements and Annual Audit**

- The Audit Committee shall review the overall annual audit plan with the independent auditor and the members of management who are responsible for preparing the Company's financial statements, including the Company's Chief Financial Officer and/or principal accounting officer or principal financial officer (the Chief Financial Officer and such other officer or officers are referred to herein collectively as the "Senior Accounting Executive").

  - (i) the Company's annual audited financial statements, including (a) all critical accounting policies and practices used or to be used by the Company, (b) any significant financial reporting issues that have arisen in connection with the preparation of such audited financial statements, and (c) the Company's disclosures under "Management's Discussion and Analysis of Financial Conditions and Results of Operations," prior to the filing of the Company's Annual Report on Form 10-K;
  - (ii) any analyses prepared by management or the independent auditors setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of the effects of alternative GAAP methods on the financial statements. The Audit Committee may consider the ramifications of the use of such alternative disclosures and treatments on the financial statements, and the treatment preferred by the independent auditor. The Audit Committee may also consider other material written communications between the registered public accounting firm and management, such as any management letter or schedule of unadjusted differences;
  - (iii) the adequacy of the Company's internal financial reporting controls that could significantly affect the integrity of the Company's financial statements;

  - The Audit Committee shall review and discuss with the independent auditor any audit problems or difficulties and management's response thereto. This review shall include (1) any difficulties encountered by the auditor in the course of performing its audit work, including any restrictions on the scope of its activities or its access to information, (2) a discussion of the responsibilities, budget and staffing of the Company's internal accounting and reporting function, and (3) any significant disagreements with management.

  - The Audit Committee shall review and discuss with the independent auditors the report required to be delivered by such auditors pursuant to Section 10A(k) of the Exchange Act.
  - If brought to the attention of the Audit Committee, the Audit Committee shall discuss with the CEO and CFO of the Company (1) all significant deficiencies and material weaknesses in the design or operation of internal controls and procedures for financial reporting which could adversely affect the Company's ability to record, process, summarize and report financial information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act, within the time periods specified in the SEC's rules and forms, and (2) any fraud involving management or other employees who have a significant role in the Company's internal controls and procedures for financial reporting.

- Based on the Audit Committee’s review and discussions (1) with management of the audited financial statements, (2) with the independent auditor of the matters required to be discussed by SAS 61, and (3) with the independent auditor concerning the independent auditor’s independence, the Audit Committee shall make a recommendation to the Board as to whether the Company’s audited financial statements should be included in the Company’s Annual Report on Form 10-K for the most recently completed fiscal year.
- The Audit Committee shall prepare the Audit Committee report required by Item 306 of Regulation S-K of the Exchange Act (or any successor provision) to be included in the Company’s annual proxy statement.
