III. MEETINGS

The Committee shall meet at least quarterly, or more frequently as circumstances dictate or as requested by the Company's Independent Auditors, management or internal auditor. As part of its goal to foster open communication, the Committee shall periodically meet separately with the Independent Auditors, the employee in charge of the corporation's internal audit function (the "Chief Internal Audit Executive"), or any other company employee the Committee deems necessary to discuss any matters that the Committee or any of such persons believes would be appropriate to discuss privately. In addition, the Committee shall meet with the Independent Auditors and management quarterly to review the corporation's financial statements in a manner consistent with that outlined in Section IV of this Charter. The Chairman of the Board or any member of the Committee may call meetings of the Committee. Meetings of the Committee may be held telephonically.

All non-management directors that are not members of the Committee may attend meetings of the Committee but may not vote. Additionally, the Committee may invite to its meetings any director, manager of the corporation and such other persons as it deems appropriate in order to carry out its responsibilities. The Committee may also exclude from its meetings any persons it deems appropriate in order to carry out its responsibilities.

IV. RESPONSIBILITIES AND DUTIES

The following functions shall be the common recurring activities of the Committee in carrying out its responsibilities outlined in Section I of this Charter. These functions should serve as a guide with the understanding that the Committee may carry out additional functions and adopt additional policies and procedures as may be appropriate in light of changing business, legislative, regulatory, legal or other conditions. The Committee shall also carry out any other responsibilities and duties delegated to it by the Board of Directors from time to time related to the purposes of the Committee outlined in Section I of this Charter.

The Committee, in discharging its oversight role, is empowered to study or investigate any matter of interest or concern that the Committee deems appropriate. The Committee shall have the authority to retain outside legal, accounting or other advisors for this purpose, including the authority to approve the fees payable to such advisors and any other terms of retention.

The Committee shall be given full access to the corporation's internal audit function, Board of Directors, corporate executives and Independent Auditors as necessary to carry out these responsibilities. While acting within the scope of its stated purpose, the Committee shall have all the authority of the Board of Directors.

Notwithstanding the foregoing, the Committee is not responsible for certifying the corporation's financial statements or guaranteeing the Independent Auditors' report. The fundamental responsibility for the corporation's financial statements and disclosures rests with management and the Independent Auditors.

The Independent Auditors report directly to the Committee. These oversight responsibilities include the authority to retain (or to terminate) the Independent Auditors. 2. Review with the Independent Auditors (i) any audit problems or other difficulties encountered by the Independent Auditors in the course of the audit process, including any restrictions on the scope of the Independent Auditors' activities or on access to requested information, and any significant disagreements with management and (ii) management's responses to such matters. Without excluding other possibilities, the Committee may wish to review with the Independent Auditors (i) any accounting adjustments that were noted or proposed by the Independent Auditors but were "passed" (as immaterial or otherwise), (ii) any significant communications between the audit team and the Independent Auditors' national office respecting auditing or accounting issues presented by the engagement; (iii) any "management" or "internal control" letter issued, or proposed to be issued, by the Independent Auditors to the corporation; and, (iv) the responsibilities, performance, budget and staffing of the corporation's internal audit function.

E. Legal Compliance/General

1. Review periodically, with the corporation's counsel, any legal matter that could have a significant impact on the corporation's financial statements.

2. Discuss with management the corporation's guidelines and policies with respect to risk assessment and risk management. The Committee should discuss the corporation's major financial risk exposures and the steps management has taken to monitor and control such exposures.

3. Set clear hiring policies for employees or former employees of the Independent Auditors.

4. Establish procedures for: (i) the receipt, retention and treatment of complaints received by the corporation regarding accounting, internal controls over financial reporting, or auditing matters; and (ii) the confidential, anonymous submission by employees of the corporation of concerns regarding questionable accounting or auditing matters.

5. Devote one meeting per year, at a minimum, that is focused on improving Committee performance and training of Committee members. In addition, Committee members are encouraged to attend external programs annually.

F. Reports

1. Prepare all Committee reports required to be included in the corporation's proxy statement, pursuant to and in accordance with applicable rules and regulations of the SEC.

2. Report regularly to the full Board of Directors:

- (i) with respect to any issues that arise concerning the quality or integrity of the corporation's financial statements, the corporation's compliance with legal or regulatory requirements, the performance and independence of the corporation's Independent Auditors or the performance of the corporation's internal audit function;
- (ii) following all meetings of the Committee; and
- (iii) with respect to such other matters as are relevant to the Committee's discharge of its responsibilities.

The Committee shall provide such recommendations as the Committee may deem appropriate. The report to the Board of Directors may take the form of an oral report by the Chairman or any other member of the Committee designated by the Committee to make such report.

3. Maintain minutes or other records of meetings and activities of the Committee.

V. ANNUAL PERFORMANCE EVALUATION

The Committee shall evaluate, at least annually, the performance of the Committee and its members. In addition, the Committee shall review and reassess, at least annually, the adequacy of this Charter and recommend to the Board of Directors any modifications to this Charter. The Committee shall conduct such evaluations and reviews in such manner as it deems appropriate.
