

ARCTIC CAT INC.
AUDIT COMMITTEE CHARTER

A. PURPOSE

The Audit Committee shall assist the Board of Directors in fulfilling the oversight responsibilities of the Board of Directors relating to corporate accounting and financial reporting practices, and the quality and integrity of the financial statements of Arctic Cat Inc. (the “Corporation”). The Committee’s purpose is to oversee the internal and external accounting and financial reporting processes and systems of internal accounting and financial controls of the Corporation and the audits of the financial statements of the Corporation and the independence, qualifications and performance of the Corporation’s external auditors.

While the Committee has the duties and responsibilities set forth in this Charter, the role of the Committee is oversight. The Committee is not responsible for planning or conducting the Corporation’s financial statements audit and related attestation of the Corporation’s internal controls or determining whether the Corporation’s financial statements are complete and accurate or in accordance with applicable accounting rules and securities laws. Such activities are the responsibility of management and the Corporation’s independent auditors. The Committee does not itself prepare financial statements or perform audits or auditing services, and its members are not auditors, certifiers of the Corporation’s financial statements or guarantors of the Corporation’s independent auditors’ reports. It is not the duty or responsibility of the Committee to insure that the Corporation complies with all laws and regulations. Each member of the Committee shall be entitled to rely on (a) the integrity of those persons and organizations within and outside of the Corporation from which it receives information, (b) the accuracy of the financial and other information provided to the Committee by such persons or organizations absent actual knowledge to the contrary (which shall be promptly reported to the Board), and (c) representations made by management as to any audit and non-audit services provided by the independent auditors to the Corporation.
