**CHARTER OF AUDIT COMMITTEE
OF THE BOARD OF DIRECTORS**
(as amended through November 18, 2004)

I. SCOPE OF RESPONSIBILITY

A. General

Subject to the limitations noted in Section VI, the primary function of the Audit Committee is to assist the Board of Directors (the "Board") in fulfilling its oversight responsibilities by (1) overseeing the Company's system of financial reporting, auditing, controls and legal compliance, (2) monitoring the operation of such system and the integrity of the Company's financial statements, (3) monitoring the qualifications and independence of the outside auditors, and the performance of the outside and internal auditors, and (4) reporting to the Board periodically concerning activities of the Audit Committee.

B. Relationship to Other Groups

The management of the Company is responsible primarily for developing the Company's accounting practices, preparing the Company's financial statements, maintaining internal controls, maintaining disclosure controls and procedures, and preparing the Company's disclosure documents in compliance with applicable law. The internal auditors are responsible primarily for objectively assessing the Company's internal controls. The outside auditors are responsible primarily for auditing and attesting to the Company's financial statements and management's assessment of internal controls. Subject to the limitations noted in Section VI, the Audit Committee, as the delegate of the Board, is responsible for overseeing this process and discharging such other functions as are assigned by law, the Company's organizational documents, or the Board. The functions of the Audit Committee are not intended to duplicate, certify or guaranty the activities of management or the internal or outside auditors.

The Audit Committee will strive to maintain an open and free avenue of communication among management, the outside auditors, the internal auditors, and the Board. The outside and internal auditors will report directly to the Audit Committee. The Audit Committee will report regularly to the Board.

II. COMPOSITION

The Audit Committee will be comprised of three or more directors, each of whom will be appointed and replaced by the Board in accordance with the Company's bylaws. Each member of the Audit Committee will meet the standards of independence or other qualifications required from time to time by the New York Stock Exchange, Section 10A(m)(3) of the Securities Exchange Act of 1934 (the "Exchange Act") and the rules and regulations of the Securities and Exchange Commission (the "SEC"), and at least one member will in the judgment of the Board have accounting or related financial management expertise in accordance with New York Stock

Exchange listing standards. The Audit Committee's chairperson shall be designated by the Board. The Audit Committee may form and delegate authority to subcommittees consisting of one or more members when appropriate, including the authority to grant preapprovals of audit and permitted non-audit services by the outside auditors, subject to any limitations or reporting requirements established by law or the Company's procedures.

III. MEETINGS

The Audit Committee will meet at least four times annually, or more frequently if the Committee determines it to be necessary. To foster open communications, the Audit Committee may invite to its meetings other directors or representatives of management, the outside auditors, the internal auditors, counsel or other persons whose pertinent advice or counsel is sought by the Committee, and the participation of such guests shall be governed by any guidelines or procedures that may be adopted from time to time by management, the Committee or the Board. The agenda for meetings will be prepared in consultation among the Committee chairperson (with input from Committee members), management, the outside auditors, the internal auditors and counsel. The Audit Committee will maintain written minutes of all its meetings and provide a copy of all such minutes to every member of the Board.

IV. POWERS

The Audit Committee shall have the sole authority to appoint or replace the outside auditors, provided that the Audit Committee may submit its appointment to the Company's shareholders for ratification on terms and conditions acceptable to it. The Audit Committee shall be directly responsible for the compensation and oversight of the work of the outside auditors (including resolution of disagreements between management and the outside auditors regarding financial reporting) for the purpose of preparing or issuing an audit report or related work. The Audit Committee shall also have the sole authority to (a) appoint or replace the head of internal auditing, (b) appoint or replace any firm engaged to provide internal auditing services and (c) grant waivers to directors or executive officers from the code of ethics and business conduct contained in the Company's corporate compliance procedures.

The Audit Committee shall have the authority, to the extent it deems necessary or appropriate, to retain independent legal, accounting or other advisors. The Company shall provide appropriate funding, as determined by the Audit Committee, for payment of (a) compensation to the outside auditor or any other advisors employed by the Audit Committee and (b) ordinary administrative expenses of the Audit Committee that are necessary or appropriate in carrying out its duties.

The Audit Committee shall have the power to (a) obtain and review any information that the Audit Committee deems necessary to perform its oversight functions and (b) conduct or authorize investigations into any matters within the Audit Committee's scope of responsibilities.

The Audit Committee shall have the power to issue any reports or perform any other duties required by (a) the Company's articles of incorporation or bylaws, (b) applicable law or (c) rules or regulations of the SEC, the New York Stock Exchange, or any other self-regulatory organization having jurisdiction over the affairs of the Audit Committee. The Audit Committee

may adopt any policies or procedures required under any such articles, bylaws, laws, rules or regulations, or that it, in its discretion, may determine to be advisable in connection with its oversight functions.

The Audit Committee shall have the power to consider and act upon any other matters concerning the financial affairs of the Company as the Audit Committee, in its discretion, may determine to be advisable in connection with its oversight functions.

V. PERIODIC OVERSIGHT TASKS

The Audit Committee, to the extent it deems necessary or appropriate or to the extent required by applicable laws or regulations, will perform the oversight tasks delineated in the Audit Committee Checklist. The checklist will be updated annually to reflect changes, if any, in regulatory requirements, authoritative guidance, or customary oversight practices. The most recently updated checklist will be considered to be an addendum to this charter.

VI. LIMITATIONS

The Committee's failure to investigate any matter, to resolve any dispute or to take any other actions or exercise any of its powers in connection with the good faith exercise of its oversight functions shall in no way be construed as a breach of its duties or responsibilities to the Company, its directors or its shareholders.

The Audit Committee is not responsible for preparing the Company's financial statements, planning or conducting the audit of such financial statements, determining that such financial statements are complete and accurate or prepared in accordance with generally accepted accounting standards, or assuring compliance with applicable laws or the Company's policies, procedures and controls, all of which are the responsibility of management or the outside auditors. The Audit Committee's oversight functions involve substantially lesser responsibilities than those associated with the audit performed by the outside auditors. In connection with the Audit Committee's oversight functions, the Committee may rely on (i) management's representations that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States and (ii) the representations of the internal or outside auditors.

In carrying out its oversight functions, the Audit Committee believes its policies and procedures should remain flexible in order to best react to a changing environment.
