Any such determination must be disclosed in the Company's annual proxy statement.
4. *Chair.* The Chair of the Committee shall be appointed by the Board.
5. *Removal and Replacement.* Any vacancies on the Committee shall be filled by a majority vote of the Board at the next meeting of the Board following the occurrence of the vacancy. No member of the Committee may be removed except by majority vote of the independent directors then in office.

Operations

1. *Meetings.* The Chair of the Committee, in consultation with the Committee members, shall determine the schedule and frequency of the Committee meetings, provided that the Committee shall meet at least four times per year. The Committee, in its discretion, may ask members of management or others to attend its meetings (or portions thereof) and to provide pertinent information as necessary.
3. *Report to Board.* At each Board meeting, the Committee shall deliver to the Board a report on any Committee meetings that have been held since the preceding Board meeting, including a description of all actions taken by the Committee during such period. The Committee shall submit to the Board the minutes of its meetings. The Committee shall further report regularly to the Board and will review with the Board any issues that arise with respect to the quality or integrity of the Company's financial statements, the Company's compliance with legal or regulatory requirements, the performance and independence of the Company's independent auditors, the performance of the internal audit function and other matters of importance to the Board.
4. *Self-Evaluation; Assessment of Charter.* The Committee shall conduct an annual performance self-evaluation and shall report to the entire Board the results of the self-evaluation. The Committee shall assess the adequacy of this Charter on an annual basis and recommend any changes to the Board.

Authority and Duties

Independent Auditor's Qualifications and Independence

1. The Committee shall be directly responsible for the appointment, retention, termination and oversight of the work of any registered public accounting firm engaged (including resolution of disagreements between management and the auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other

audit, review or attest services for the Company and its subsidiaries (with the input, if the Committee so desires, of Company management and, as appropriate, management and boards of directors of the Company's subsidiaries). Any such registered accounting firm must report directly to the Committee. The independent auditors are ultimately accountable to the Committee.

2. The Committee shall have the sole authority to approve the independent auditor's fee arrangements and other terms of service, and to pre-approve any permitted non-audit services to be provided by the independent auditor. The Committee shall review with the lead audit partner whether any of the audit team members receive any discretionary compensation from the audit firm with respect to non-audit services performed by the independent auditor. The Committee may delegate the pre-approval of audit and permitted non-audit services to one or more of its members, provided that such members shall report any such approvals to the full Committee.
3. The Committee shall obtain and review with the lead audit partner and a more senior representative of the independent auditor, annually or more frequently as the Committee considers appropriate, a report by the independent auditor describing: the independent auditor's internal quality-control procedures; any material issues raised by the most recent internal quality-control review, or peer review, of the independent auditor, or by any inquiry, review or investigation by governmental, professional or other regulatory authorities, within the preceding five years, respecting independent audits carried out by the independent auditor, and any steps taken to deal with these issues; and (to assess the independent auditor's independence) all relationships between the independent auditor and the Company (consistent with Independence Standards Board Standard No. 1). The Committee shall be responsible for actively engaging in a dialogue with the independent auditor with respect to any disclosed relationships or services that may impact the objectivity and independence of the auditor and for taking, or recommending that the Board of Directors take, appropriate action to oversee the independence of the independent auditor. The Committee shall, in addition to assuring the regular rotation of the lead audit partner and reviewing audit partner (such that neither such partner shall have performed services for the Company for more than any five consecutive fiscal years), consider whether there should be regular rotation of the audit firm.
4. The Committee shall evaluate the qualifications, independence and performance of the Company's independent auditor, including the lead partner of the independent auditor, and, in its sole discretion make decisions regarding the replacement or termination of the independent auditor when circumstances warrant. In making its evaluations, the Committee should take into account the opinions of management. The Committee will present its conclusions with respect to the independent auditor to the Board.
5. The Committee shall pre-approve the hiring of any employee or former employee of the independent auditor who was a member of the Company's audit team during the preceding three fiscal years. In addition, the Committee shall pre-approve the hiring of any employee or former employee of the independent auditor (within the preceding three fiscal years) for senior positions within the Company, regardless of whether that person was a member of the Company's audit team. In no event may the Company hire a Chief Executive Officer, Chief Financial Officer, Chief Accounting Officer, Controller or person in any equivalent capacity who, within one year prior to the initiation of the audit, was an employee of the independent auditor who participated in any capacity in the Company's audit.
