AUDIT COMMITTEE CHARTER

Role and Purpose

The purpose of the audit committee of the board of directors of Jabil Circuit, Inc. (the "Company") is to assist the board of directors in fulfilling the oversight responsibilities it has with respect to (1) integrity of the Company's financial statements, (2) the Company's compliance with legal and regulatory requirements, (3) the qualifications and independence of the Company's independent auditor, and (4) the performance of the Company's independent auditor and the Company's internal audit function. The Company's independent auditors, in their capacity as independent public accountants, shall be responsible to the board of directors and the audit committee as representatives of the shareholders. The audit committee is expected to maintain free and open communication (including private executive sessions at least annually) with the independent auditors and management of the Company. In discharging this oversight role, the committee is empowered to investigate any matter brought to its attention, with full power to retain outside counsel or other experts for this purpose.

Composition

Members of the audit committee shall be elected annually by the full board on the recommendation of the Nominating/Corporate Governance Committee and shall hold office until the earlier of (1) the election of their respective successors, (2) the end of their service as a director of the Company (whether through resignation, removal, expiration of term, or death), or (3) their resignation from the committee. The chairperson of the Committee may be selected by the board of directors or, if it does not do so, the committee members may elect a chairperson by vote of a majority of the full committee.

The membership of the committee shall consist of at least three directors, each of whom shall satisfy the independence, financial literacy and experience requirements of the Securities Exchange Act of 1934, the rules and regulations of the Securities and Exchange Commission and the listing standards of the New York Stock Exchange, as in effect from time to time. At least one member of the committee shall be an "audit committee financial expert" (as defined by the Securities and Exchange Commission).

No audit committee member shall serve on the audit committee of more than three public companies, unless the Company's board of directors determines that it does not believe that such service would impair the member's ability to effectively service on the audit committee.

Authority and Responsibilities

The committee shall have the sole authority to hire and fire the Company's independent auditor, to approve all audit engagement fees and terms, and to approve all significant non-audit engagements with the independent auditor. The committee shall be directly responsible for the selection and appointment, retention, compensation, evaluation, termination and oversight of the work of the independent auditor, including the resolution of disagreements between management and the independent auditor regarding financial reporting, for the purpose of preparing or issuing an audit report or related work. The independent auditor shall report directly to the committee.

The committee shall review in advance, and grant any appropriate preapprovals of, (1) all auditing services to be performed by the independent auditor and (2) all non-audit services (including the material terms thereof) to be provided by the independent auditor as permitted under the Securities Exchange Act of 1934, subject to the *de minimus* exception for non-audit services described in Section 10A(i)(1)(B) of the Securities Exchange Act of 1934 and Rule 2-01(c)(7)(i)(C) of Regulation S-X which are approved by the committee prior to completion

of the audit. The committee may form and delegate authority to subcommittees consisting of one or more members where appropriate, including the authority to grant preapprovals of audit and permitted non-audit services, provided that decisions of such subcommittee to grant preapprovals shall be presented to the committee at its next meeting.

The committee shall have the authority to obtain advice and assistance from outside legal, accounting or other advisors, as it determines necessary to carry out its duties, and shall be empowered to retain and compensate these advisors without seeking board approval. The committee shall determine the extent of funding necessary for payment of compensation to the independent auditor for the purpose of rendering or issuing an audit report and to any outside legal, accounting or other advisors retained to advise the committee. The committee may request any officer or employee of the Company or the Company's outside counsel or independent auditor to attend a meeting of the committee or to meet with any members of, or consultants to, the committee.

The audit committee, to the extent it deems necessary or appropriate, shall:
