6. The Committee will annually review and make recommendations to the Board with respect to adoption and approval of, or amendments to, all cash-based and equity-based incentive compensation plans and arrangements, and the amounts and shares reserved thereunder after taking into consideration the Company's strategies with respect to short and long-term cash and equity-based compensation.

8. The Committee will meet with the CEO within 90 days after the commencement of each fiscal year to discuss the incentive compensation programs to be in effect for the Company's Executive Officers for such fiscal year and the corporate goals and objectives relevant to those programs.

9. The Committee will periodically review the Company's procedures with respect to employee loans, and will not approve any arrangement in which the Company, directly or indirectly, extends or maintains credit, arranges for the extension of credit or renews an extension of credit, in the form of a personal loan to or for any director of the Company or Executive Officer (or equivalent thereof) of the Company. The Committee will assist the Board and management of the Company in complying with this prohibition.
