(“*Nasdaq*”) applicable to compensation committee members, as in effect from time to time, when and as required by Nasdaq, including any exceptions permitted by these requirements. At least two of the members of the Committee shall satisfy the “non-employee director” standard within the meaning of Rule 16b-3 promulgated under the Securities Exchange Act of 1934, as amended from time to time (the “*Exchange Act*”), and the “outside director” standard within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended from time to time (the “*Code*”). In addition, the Committee shall have sole authority to retain and terminate any compensation consultant to assist in the evaluation of director, chief executive officer or senior executive compensation, including sole authority to approve such consultant's reasonable fees and other retention terms, all at the Company's expense. Other reasonable expenditures for external resources that the Committee deems necessary or appropriate in the performance of its duties are permitted. The Committee may form and delegate authority to subcommittees as appropriate, including, but not limited to, a subcommittee composed of one or more members of the Board to grant stock awards under the Company's equity incentive plans to persons who are not (a) "Covered Employees" under Section 162(m) of the Code; (b) individuals with respect to whom the Company wishes to comply with Section 162(m) of the Code; or (c) then subject to Section 16 of the Exchange Act. RESPONSIBILITIES

To implement the Committee's purpose and policy, the Committee shall be charged with the following duties and responsibilities, with the understanding, however, that the Committee may supplement and, except as otherwise required by applicable law or the requirements of Nasdaq, deviate from these activities as appropriate under the circumstances:

1. *Overall Compensation Strategy* - The Committee shall be responsible for reviewing, modifying (as needed) and making recommendations to the full Board regarding the overall compensation strategy and policies for the Company, including:

 - evaluating and recommending to the Board the compensation plans and programs advisable for the Company, as well as the modification or termination of existing plans and programs;
 - establishing policies with respect to equity compensation arrangements, with the objective of appropriately balancing the perceived value of equity compensation and the dilutive costs of that compensation to the Company;
 - reviewing regional and industry-wide compensation practices and trends to assess the propriety, adequacy and competitiveness of the Company's executive compensation programs among comparable companies in the Company's industry; however, the Committee shall exercise independent judgment in recommending the appropriate levels and types of compensation to be paid;

- reviewing and recommending to the Board the terms of any employment agreements, severance arrangements, change-of-control protections and any other compensatory arrangements for the Company's executive officers;
- reviewing and approving any compensation arrangement for any executive officer involving any subsidiary, special purpose or similar entity;
- considering and, if appropriate, establishing a policy designed to encourage executive officers and directors to acquire and hold a meaningful equity interest in the Company; and
- evaluating the efficacy of the Company's compensation policy and strategy in achieving expected benefits to the Company and otherwise furthering the Committee's policy.

2. *Compensation of Chief Executive Officer* - The Committee shall recommend to the Board for determination and approval the compensation and other terms of employment of the Company's Chief Executive Officer and shall evaluate the Chief Executive Officer's performance in light of relevant corporate performance goals and objectives, taking into account, among other things, the policy of the Committee and the Chief Executive Officer's performance in:

- fostering a corporate culture that promotes the highest levels of integrity and the highest ethical standards;
- developing and executing the Company's long-term strategic plan and conducting the business of the Company in a manner appropriate to enhance long-term stockholder value;
- achieving any other corporate performance goals and objectives deemed relevant to the Chief Executive Officer as established by the Committee; and
- achieving the Chief Executive Officer's individual performance goals and objectives.

In determining the long-term incentive component of the Chief Executive Officer's compensation, the Committee should seek to achieve an appropriate level of risk and reward, taking into consideration the Company's performance and relative stockholder return, the potential benefits and costs to the Company of the award, the value of similar incentive awards given to chief executive officers of comparable companies, the awards given to the Company's Chief Executive Officer in past years, and such other criteria as the Committee deems advisable. The Company's Chief Executive Officer may not be present during the voting or deliberations regarding his or her compensation.

3. *Compensation of Other Executive Officers* - The Committee shall review and recommend to the Board the individual and corporate performance goals and objectives of the Company's other officers (as that term is defined in Section 16 of the Exchange Act and Rule 16a-1 thereunder) that are periodically established. The Committee shall recommend to the Board for determination and approval the compensation and other terms of employment of each such executive officer, taking into consideration the executive officer's success in achieving his or her individual performance goals and objectives and the corporate performance goals and objectives deemed relevant to the executive officer as established by the Committee, as well as in fostering a corporate culture that promotes the highest levels of integrity and the highest ethical standards.

4. *Compensation of Directors* - The Committee shall recommend to the Board for determination and approval the type and amount of compensation to be paid or awarded to Board members, including consulting, retainer, Board meeting, committee and committee chair fees and equity incentives.

The Committee shall have full power and authority to administer these plans, establish guidelines, interpret plan documents, select participants, approve grants and awards, and exercise such other power and authority as may be permitted or required under such plans.
6. *Insurance Coverage* - The Committee shall review and establish appropriate insurance coverage for the Company's directors and executive officers.
7. *Annual Evaluation and Charter Review* - The Committee shall review, discuss and assess its own performance at least annually. The Committee shall also periodically review and assess the adequacy of this Charter and recommend any proposed changes to the Board for its consideration and approval.
